Certificate of Representation

This letter is to acknowledge and identify Field International Group Limited with its subsidiaries: Field International Limited, Field International Pte Ltd, Field International (Shanghai) Co. Ltd, Field International Technologies Pte. Ltd. and Field International Middle East LLC at the addresses given below are official partners for Dillon Force Measurement products. Field International Group Ltd and its subsidiaries, have the right to offer for sale and to provide after sales service for Dillon products and to import these products for this purpose.

The certificate is valid until recalled.

Dillon is a wholly owned operating company of the Avery Weigh-Tronix Company. Our preferred method of after sales service support is for the authorized distributor to act as the primary point of contact between the end user of the product and our services facilities in the UK and the USA.

Field International (Shanghai) Co. Ltd
Building 10,
